

BUSINESS SPACE AVAILABLE FOR LEASE

THE FAIRMILE BUILDING

Sandbank Business Park, Highland Avenue, Dunoon, Argyll, PA23 8PB

Highlands and Islands Enterprise
Iomairt na Gàidhealtachd 's nan Eilean

WHERE BUSINESSES GO FURTHER

The Fairmile Building in Dunoon, Scotland, is ideal for ambitious businesses looking for modern business space in which to grow.

THE IDEAL PLACE FOR BUSINESS GROWTH

Opened in 2017 by Highlands and Islands Enterprise (HIE) and enjoying a rural setting on the outskirts of Sandbank Business Park, The Fairmile Building can offer good quality office accommodation to suit new ways of working. The workspace is generously sized, light and airy, has good connectivity and is situated out of town, in a green space close to lochs and glens at the edge of Loch Lomond & the Trossachs National Park.

The Fairmile Building is firmly rooted in the history of Sandbank itself. Fairmile motorboats were built at the famous Robertson's Yard in Sandbank during the Second World War, and The Fairmile continues in their reputation for delivering a quality product.

AN ENVIABLE WORK-LIFE BALANCE

Living around the coastal town of Dunoon can offer an enviable lifestyle both to individuals and families already living in or wishing to relocate to the area. Benefits include affordable housing, stress free commuting, and a rich cultural heritage, with outdoor activities in Argyll's outstanding natural environment right on the doorstep.

A COMPETITIVE LOCATION

With proximity to Glasgow, Dunoon offers excellent links by road and ferry to Scotland's central belt, with easy access to the motorway, rail networks and Glasgow airport. A quick ferry trip, then jump on the train and you can be in the centre of Glasgow in around an hour and a half.

SKILLED WORKFORCE ON HAND

Businesses can go further at The Fairmile. Staff recruitment is straightforward, as a well-qualified and motivated workforce pool is available within the immediate area, with low recruitment costs and good retention rates.

A PLACE TO CONNECT

The cluster of sector businesses resident in the Park and already settled in the Fairmile Building itself have led toward the development of a supportive business environment. What's more, access to a range of specialist business support and development programmes is available through Highlands and Islands Enterprise and Business Gateway.

THE IDEAL WORKING ENVIRONMENT

The core areas of the building have a high level of internal finish with effective use of natural materials. All work units are accessed through an impressive double height atrium foyer and enjoy a common reception area with comfortable seating and snack preparation area, themed to showcase the historic vessels built at Robertson's Yard.

Work units are warm and well-lit by internal light wells, affording a comfortable workspace for staff and visitors alike.

Occupiers share access to a comfortable, good sized meeting room, bookable on-line.

EASY TO GET TO - GREEN COMMUTE POTENTIAL

Shower and changing room – perfect if cycling to work. There is a covered bicycle park – and ample free dedicated car parking places.
